

Dear Patient:

Faxton St. Luke's Healthcare Dental Health Center is scheduled for an American Dental Association Accreditation review in May 14, 2019. We are responsible for soliciting third-party comments from patients by publishing an announcement at least ninety (90) days prior to our site visit. There is a deadline of sixty (60) days for receipt of third-party comments in the Commission office. All comments must be signed and comments must pertain only to the standards for the particular program or policies and procedures used in the Commission's accreditation process. A copy of the appropriate accreditation standards and/or the Commission's policy on third-party comments may be obtained by contacting the Commission at 211 East Chicago Avenue, Chicago, IL 60611, or by calling 1/800-621-8099, extension 4653 or by email to [accreditation@ada.org](mailto:accreditation@ada.org).

Please take a moment to write down your experiences with our program.

Thank you for your time.
