

Just the Facts

WYNN HOSPITAL

Each week, "Just the Facts" provides information about a key aspect of the Wynn Hospital being built by Mohawk Valley Health System (MVHS). It is designed to keep our medical staff, employees and volunteers updated and to share with family, friends and neighbors so we keep our community informed about how we're transforming healthcare in our region.

TOPIC FOR TUESDAY, APRIL 12, 2022:

How many labor hours have been worked constructing the Wynn Hospital?

Last week, the Wynn Hospital Project hit a major milestone by reaching one million labor hours worked out of the total two million projected for the project. Over the past few years, our laborers have worked hard through high winds, extreme cold and heat, snow and rain to build our new hospital. We commend and thank all of those who have been involved.
