

Just the Facts

WYNN HOSPITAL

Each week, "Just the Facts" provides information about a key aspect of the Wynn Hospital being built by Mohawk Valley Health System (MVHS). It is designed to keep our medical staff, employees and volunteers updated and to share with family, friends and neighbors so we keep our community informed about how we're transforming healthcare in our region.

TOPIC FOR TUESDAY, AUGUST 9, 2022:

How do you choose the new furniture for the Wynn Hospital?

A furniture fair of course! This week, we're hosting a furniture fair in preparation for furniture proposal requests for the Wynn Hospital. MVHS staff will participate in a review of proposed chairs that are now on display in the construction field office.

All sample chairs are available to test for comfort, quality, aesthetics and ease of maintenance. Descriptions and proposed locations are noted on all chairs and an evaluation sheet will be provided to each staff member to comment on style and function.

Next week, the evaluation sheets will be tallied and a determination will be made as to which chairs made the cut. All selected furniture will then be listed in a Request for Proposal (RFP) and awarded to a furniture vendor that best suits the needs of the Wynn Hospital.
