

The Profession

The American Dental Hygienists' Association recognizes the professional roles of the dental hygienist to include, but not be limited to, those of clinician, educator, advocate, administrator/manager and researcher, with public health being an integral component of all these roles.

The American Dental Hygienists' Association supports accreditation standards that prepare entry level dental hygienists to assume all the professional roles of a dental hygienist in a variety of settings to meet the preventive and therapeutic health care needs of the public.

Professional Roles of the Dental Hygienist

Dental Hygiene Scholarships for Residents of Oneida and Herkimer Counties

Dr. James M. Rozanski Dental Residency Program

Dental Hygiene Scholarships

The scholarships are sponsored by the Dr. James M. Rozanski Dental Residency Program at Mohawk Valley Health System (MVHS). It is funded in the amount of \$500 per recipient through registration fees collected at the annual Dr. Michelle E. Haddad Memorial Seminar. The scholarship was established to support qualified individuals who have lived in and plan to practice in Oneida and Herkimer Counties upon completion of the program. The scholarship award will be deposited with the Financial Aid Office in the school where the recipient is enrolled and will be credited to the student's tuition, books or other fees and/or expenses.

Qualifying Criteria

- The applicant must be a resident of Oneida or Herkimer Counties for at least two years prior to acceptance into the dental hygiene program
- The applicant must demonstrate outstanding leadership
- The applicant must have achieved a scholastic performance of 3.0 or greater college grade point average
- The applicant must show their potential for positive impact on the profession of dental hygiene
- Scholarships will be awarded to entering second year students
- The applicant must plan to practice dental hygiene in Oneida or Herkimer Counties for at least one year following graduation.

Required Essay

Each applicant must submit a brief essay along with the application stating why they have chosen the dental hygiene profession, describing their personal attributes and explaining why they believe they will make a good hygienist.

Interview

The scholarship committee will meet with the applicants to discuss their career plans.

Letters of Recommendation

Two letters of recommendation are required. One letter must be from a past instructor and another from someone who has known the applicant for five or more years (cannot be a family member).

Return completed application with required documentation by Saturday, August 31, 2023 to:

Dr. Evelyn Salgado
Faxton St. Luke's Dental Health Center
1714 Burrstone Road
New Hartford, NY 13413

Scholarships will be awarded by Monday, September 29, 2023.
