

myRx EMPLOYEE PHARMACY

PRESCRIPTION DRUG COVERAGE

MVHS has designed a prescription drug plan to help keep medications affordable for you and your family. Every MVHS employee who enrolls in the Excellus BCBS SimplyBlue Health Plan is also enrolled in the Excellus BCBS SimplyBlue prescription drug plan.

Separate Out-of-Pocket Maximum for Prescriptions

In 2023, there will be an out-of-pocket maximum threshold on prescription drug expenditures that is separate from the out-of-pocket maximum for medical. The prescription out-of-pocket maximum can be found in the plan outline specific to your plan option. All co-pays and co-insurance count toward the out-of-pocket maximum.

Employee Pharmacy: myRx

As an employee of MVHS, you are eligible for a prescription benefit through myRx, a convenient alternative to retail pharmacies.

YEAR-ROUND MEDICATION SAVINGS:

- Employees can fill prescriptions at cost if that amount is lower than their plan's copay

- myRx is considered an Excellus BCBS SimplyBlue provider for employees covered under the MVHS Excellus BCBS SimplyBlue Health Plan, which means that prescriptions filled here have a lower co-pay structure and a co-pay savings when you fill your maintenance medications.

PAYMENT OPTIONS: You may use your FSA card, credit/debit card or opt for payroll deduction (FSLH employees only). myRx does not accept cash or personal checks at this time.

EXPERTISE: Aside from cost savings, the pharmacists and technicians working for myRx have a thorough understanding of the MVHS Excellus BCBS SimplyBlue Health Plan. They are familiar with the Excellus BCBS Rx plan, associated formularies and our specialty drug programs.

LOCATION: myRx is located on the first floor of the St. Luke's Campus in the Professional Office Building next to the Lab. Reserved parking for medication pick-up is available. You may also park temporarily in the circle of the main entrance. If you do not work on the campus, myRx will mail your maintenance medications to your home address.

Refills are preferred through the MyChart App. If further assistance is needed please call 315-624-6979.

myRx is open Monday through Friday from 7 a.m. to 6:30 p.m.

myRx in Action - Employee Savings Examples

Prescription Tier & Frequency	2023 Copay @ myRx (MVHS Excellus BCBS SimplyBlue)	2023 Copay @ Retail Pharmacy (MVHS Excellus BCBS SimplyBlue)	Potential Savings
