

# Just the Facts

WYNN HOSPITAL

Each week, "Just the Facts" provides information about a key aspect of the Wynn Hospital being built by Mohawk Valley Health System (MVHS). It is designed to keep our medical staff, employees and volunteers updated and to share with family, friends and neighbors so we keep our community informed about how we're transforming healthcare in our region.

## TOPIC FOR TUESDAY, FEBRUARY 7, 2023:

### ***Wynn Hospital Furniture Vendor Selected***

After months of preparation, planning, requesting proposals and bid leveling the proposals (a process of ensuring all project bidders present their bids in an even bid package), MVHS awarded a contract to [Roberts Office Interiors \(ROI\)](#) out of Rome, New York, to procure and install all the new furniture in the Wynn Hospital. ROI will work hand in hand with the Wynn Hospital interior designer, CAMA Inc. out of New Haven, Connecticut, to ensure the furniture selections align with the interior design. ROI will dedicate an entire team, including an on-site project manager, to integrate in the organization and provide immediate responses to any issues that may arise.

We will welcome ROI with a kickoff meeting tomorrow, February 8, and look forward to working together to furnish the Wynn Hospital!
