

# Just the Facts

WYNN HOSPITAL

Each week, "Just the Facts" provides information about a key aspect of the Wynn Hospital being built by Mohawk Valley Health System (MVHS). It is designed to keep our medical staff, employees and volunteers updated and to share with family, friends and neighbors so we keep our community informed about how we're transforming healthcare in our region.

## TOPIC FOR TUESDAY, FEBRUARY 21, 2023:

### ***Will there be lockers for staff at the Wynn Hospital?***

With finishes continuing to progress throughout The Wynn Hospital, we have begun the installation of staff lockers. The Wynn Hospital has 15 staff locker rooms with a minimum of one per floor. The metal lockers are furnished by ASI Storage Solutions, Inc. Staff locker rooms feature traditional Z style lockers, allowing for two lockers per bank. These are equipped with digital locks, three single wall hooks, and one central double hook. Staff locker rooms feature wooden benches and meet ADA compliance requirements. These lockers feature a Frost Blue finish that is a hybrid epoxy polyester powder coating, that is electrostatically applied for a uniform thickness and baked to cure. This provides a lasting durable finish.
