WYNN HOSPITAL

Each week, "Just the Facts" provides information about a key aspect of the Wynn Hospital being built by Mohawk Valley Health System (MVHS). It is designed to keep our medical staff, employees and volunteers updated and to share with family, friends and neighbors so we keep our community informed about how we're transforming healthcare in our region.

## TOPIC FOR TUESDAY, MAY 16, 2023:

### *OMH and DOH Walk-through*

Last Tuesday, the New York State Office of Mental Health (OMH) and Department of Health (DOH) conducted its first walk-through of the Wynn Hospital Behavioral Health Unit. Both OMH and DOH were happy with the progress that has been made and provided helpful information that will assist in finding the best suited furniture for the state-of-the-art Behavioral Health outdoor area. OMH was specifically interested in learning more about the screen wall around the outdoor area as the space is fairly unique for a hospital. The walk-through went very well and we look forward to doing it again upon substantial completion of the hospital.
