

# Just the Facts

WYNN HOSPITAL

Each week, "Just the Facts" provides information about a key aspect of the Wynn Hospital being built by Mohawk Valley Health System (MVHS). It is designed to keep our medical staff, employees and volunteers updated and to share with family, friends and neighbors so we keep our community informed about how we're transforming healthcare in our region.

## TOPIC FOR TUESDAY, JULY 25, 2023:

### ***Work on Surface Parking for Wynn Hospital***

As part of the Wynn Hospital parking plan, MVHS acquired the Compassion Coalition building located at 509 Lafayette Street (earlier this year, the Compassion Coalition announced its move to Frankfort in order to have more room for growth). This week, Gilbane brought back Sessler Wrecking, along with its subcontractor, Sullivan Contracting, to perform the abatement and demolition. Abatement began yesterday in preparation for the demolition next week. Once complete, the space will be converted into a 70,000 SF lot, with 135 parking spaces for the Wynn Hospital.

This is one of a number of surface parking lots, along with the garage under construction, that are part of the Wynn Hospital comprehensive parking plan. Plus, valet parking will be available for patients and visitors.

This week all employees, providers and volunteers will be receiving a survey to complete so we can gather information about their vehicles, shifts worked, etc. This data will then be used to help identify the most appropriate parking areas for individuals as we move to the Wynn Hospital.
