

Just the Facts

WYNN HOSPITAL

Each week, "Just the Facts" provides information about a key aspect of the Wynn Hospital being built by Mohawk Valley Health System (MVHS). It is designed to keep our medical staff, employees and volunteers updated and to share with family, friends and neighbors so we keep our community informed about how we're transforming healthcare in our region.

TOPIC FOR TUESDAY, SEPTEMBER 19, 2023:

Skyline Signage

As you may have noticed, installation of the Wynn Hospital skyline signage (top of the building) started earlier this month. Compass Sign and Utica Sign and Graphics worked to create and install the large lettering for the top of the new hospital.

At this point, all of the signage on the south side of the building is in place and work has started on the north side. All of the letters will be in place and illuminated by the end of the month!
