Dear Contractor,

Mohawk Valley Health System ("MVHS") is committed to providing quality care while conducting business in accordance with applicable Federal and New York State Laws and Regulations.

As an MVHS contractor, your organization and employees working with MVHS are required to have annual training on our Compliance Program.

As part of our annual compliance education, please review the following MVHS resources online at https://www.mvhealthsystem.org/employees-providers/corporate-compliance

- MVHS Code of Conduct
- Compliance, Security, and HIPAA Education Materials
- Non-Retaliation Policy
- Compliance Hotline Information

New York State Medicaid Exclusion Screening Requirement

Under regulatory obligations, it is a requirement that you continue to complete **monthly exclusion screenings.**

MVHS has the right to request these monthly exclusion-screening records at any time to meet the Office of Medicaid Inspector General ("OMIG") regulations (18 NYCRR-521).

Confidentiality Agreement

Personnel working on an MVHS campus must complete a confidentiality agreement via Symplr.

Kindly review the information provided above along with the relevant MVHS compliance resources.

By continuing to provide services, your organization agrees to all MVHS policies. Please reply by 12/31/2026 to confirm receipt and understanding of this notice; otherwise, these terms will be deemed accepted.

Sincerely,

MVHS Compliance Office
