

Just the Facts

— MVHS & WYNN HOSPITAL

There's so much happening in healthcare in our region – at times it's hard to stay updated! That's why Just the Facts is being reinvigorated. This weekly publication, published on Tuesdays, will provide you with the latest information about MVHS and the Wynn Hospital!

TOPIC FOR TUESDAY, DECEMBER 3, 2024:

Parking at the Wynn Hospital

This week, the County Parking Garage adjacent to the Wynn Hospital, began charging **non-hospital staff and visitors** for parking (after the first two hours an hourly fee is applied). However, patients and visitors of Wynn Hospital can get their parking validated at the front lobby registration and Emergency Department registration desks to avoid being charged any parking fees.

Nothing has changed for MVHS employees, providers and volunteers – parking in the garage remains free!

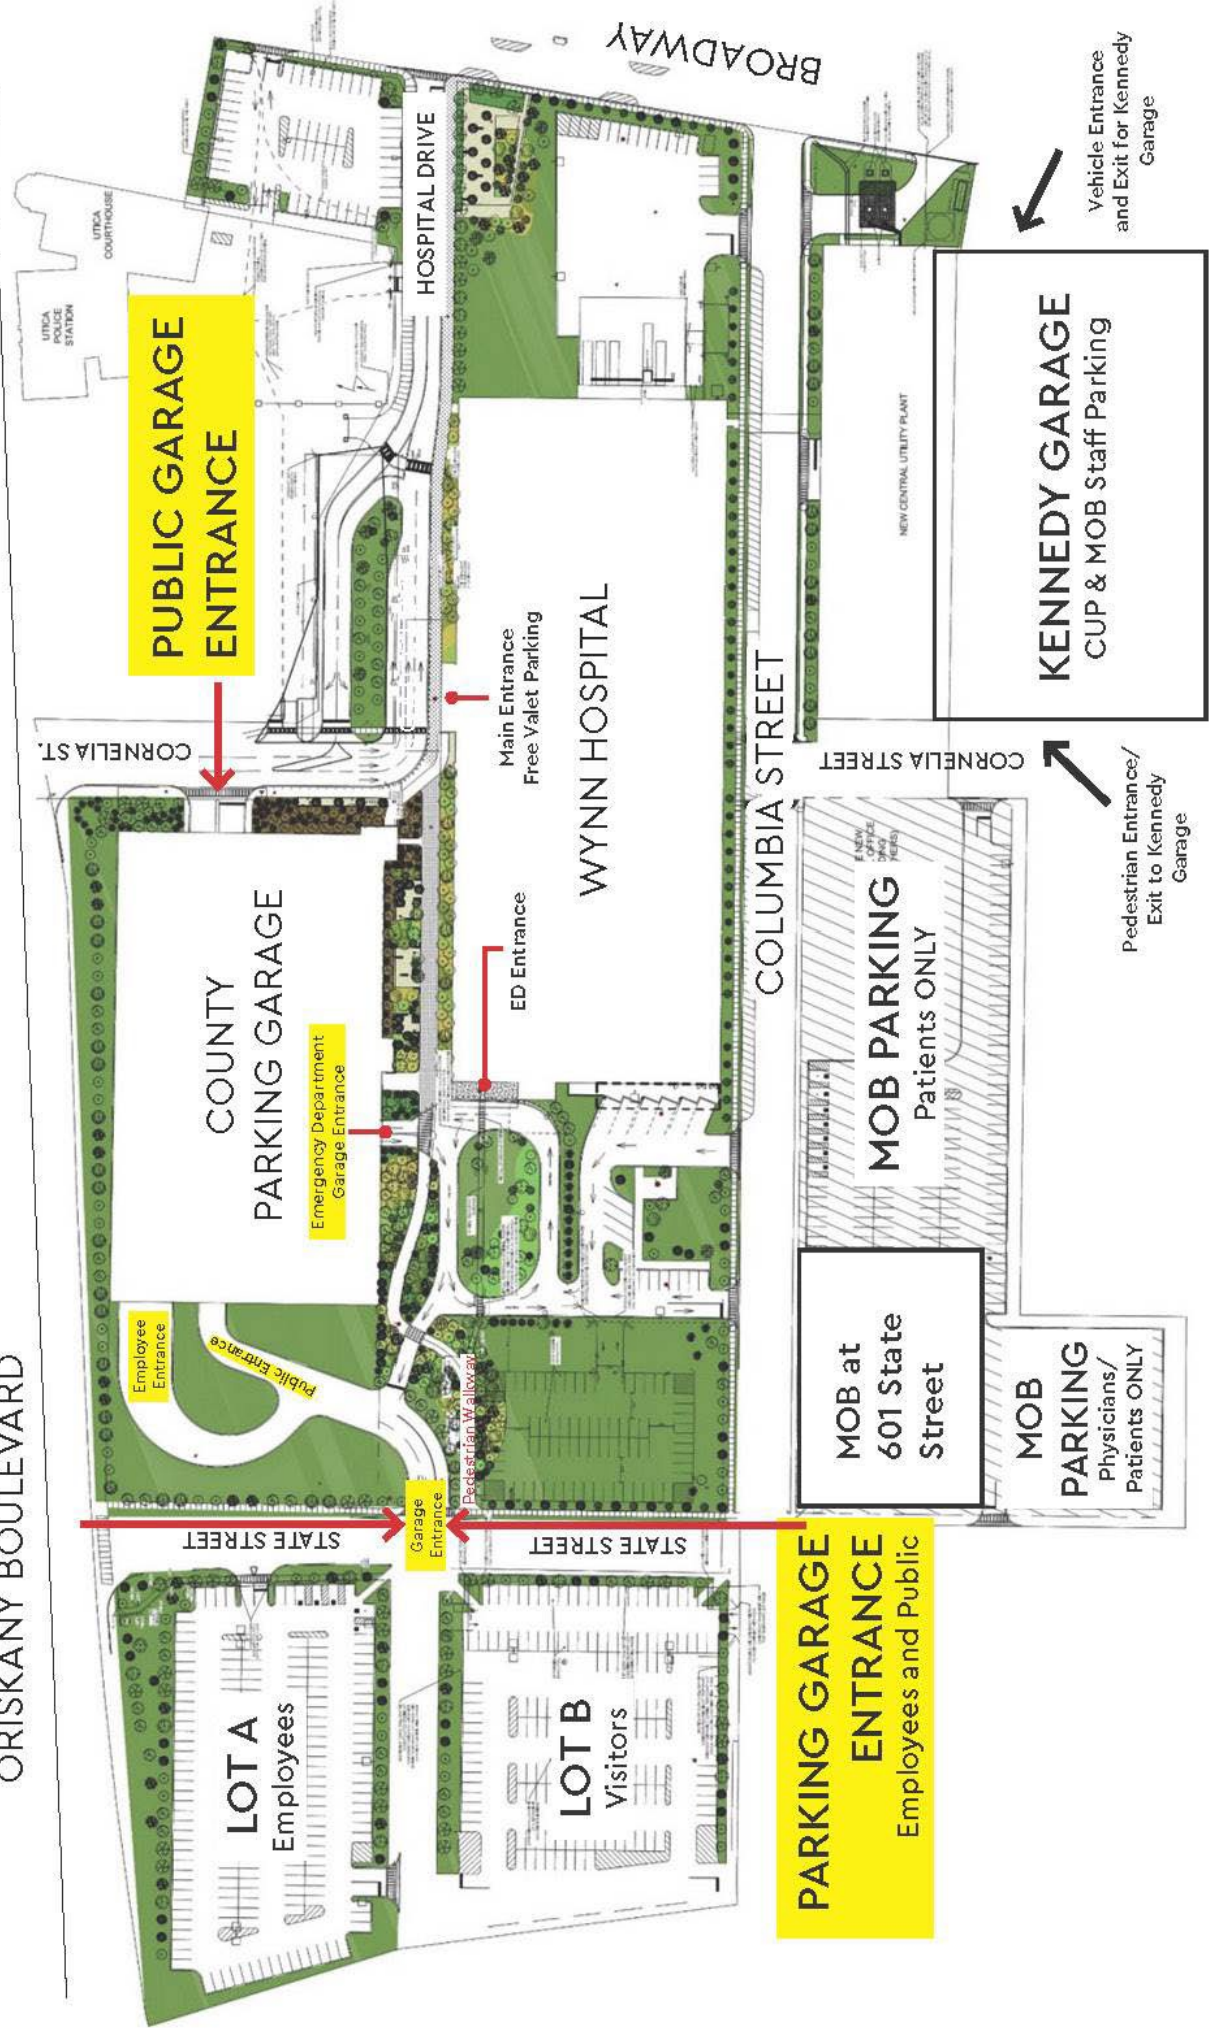

What Floor Should We Park On?

- Providers – There is a designated provider parking area on the second floor of the garage – ONLY providers may park there.
- Employees and Volunteers – MVHS employees, providers and volunteers park on floors three, four and five.
- Patients and visitors of the Wynn Hospital – Patients and visitors of the Wynn Hospital do NOT pay for parking, however, starting this week and moving forward, patients and visitors will need to have their parking ticket validated at the Wynn Hospital if parked there more than two hours.

Other Parking Location Information at the Wynn Hospital Campus

- Parking Lots A & B – Both of these lots, located on State Street, are available for parking. Lot A is primarily used for employees, with Lot B available for visitors. Those who park in these lots can use the lighted walkway between the garage and the hospital to access the main entrance of the Wynn. Please do not enter the hospital through the Emergency Department.
- Medical Office Building – Located on Columbia Street, this lot is to be used by patients going to CNY Cardiology, MVHS Lab and MVHS Pharmacy. Once NYS approval has been received, additional services at this site will include MVHS Imaging and some specialty physician offices.
- **FREE Valet Services Continue at the Wynn Hospital**
 - Valet services continue at the Main Entrance of the Wynn Hospital.
